CONDIȚII DE GARANȚIE

1. Termenul de garanție începe la data vânzării. Acest termen se prelungește cu perioada de timp în care produsul stă la reparat.

DATA

DATE

2. Orice reparare sau înlocuire a produselor va fi făcută în 15 zile calendaristice de la data la care cumpărătorul a adus la cunoștință vânzătorului lipsa de conformitate a produsului sau a predat produsul vânzătorului ori persoanei desemnate de acesta pe baza unui document de predate-preluare.

BUYER ADDRESS

1. The warranty period begins on the date of the sale. This period shall be extended by the period of time the products are sent for fixing.
2. A defective product will be repaired or replaced within 15 days starting with the date on which the buyer brought to the attention of the seller the lack of conformity or handed the product over to seller's designated representative accompanied by a handover receipt.
3. The buyer has the obligation to comply with strict instructions for installation and maintenance.
4. The product must not have mechanical or other damages due to incorrect use.
5. Incorrect use of the product as well as the use of higher wattage bulbs than the indicated one automatically leads to loss of warranty.
6. The warranty is granted only if accompanied by the warranty card and purchase invoice or fiscal receipt, all in original!

7. The product was delivered in perfect working conditions along with installation and maintenance instructions. The Buyer fully acknowledged the terms and conditions of warranty validity and warranty loss.
