## Technické údaje produktu

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| USED WITH                  | Feeder circuits, branch circuits<br>Busbar<br>Z-SV                      |
| TYPE                       | <ul style="list-style-type: none"><li>• Busbar</li><li>• Z-SV</li></ul> |
| ACCESSORY/SPARE PART TYPE  | Extension terminals                                                     |
| APPLICATION                | Switchgear for industrial and advanced commercial applications          |
| DEGREE OF PROTECTION       | UL/CSA Type: -<br>IEC/EN 60898; UL 489; CE marking<br>IP20 (IEC)        |
| VOLTAGE RATING (UL CSA 13) | Refer to main components<br>FAZ, FAZ-NA, FAZ-RT                         |
| FUNCTIONS                  | Busbar                                                                  |
| SUITABLE FOR               | Other<br>Round conductor connection                                     |
| RATED OPERATIONAL CURRENT  | 0 A                                                                     |
