

PELA, wireless battery-powered doorbell, learning system, 60 sounds, LED RGB, 300m, black

Marka: **Virone** | Symbol: **DB-6/B** | Ean: **5908254842870**

PRODUCT DESCRIPTION

PELA battery-operated wireless doorbell in black. It is an aesthetically pleasing and elegant device, which, thanks to the learning system, can be extended with further transmitters by mounting them at several entrances, providing convenience in everyday life.

Product with easy operation - no wired installation required. Simply place the transmitter at the door or gate and the receiver anywhere in the house (range up to 300m in open field).

The upgraded IP44 protection level means security against rain and dust or difficult weather conditions.

The doorbell has a built-in 5-step ringer volume control function, including complete muting, depending on the user's preference, as well as the option to select a melody from 60 different sounds (including occasional sounds such as Christmas).

The device has 3 signalling modes that allow you to adjust the sound and light to suit your expectations or the time of day. One of the modes is a flashing and color-changing light ring that catches the eye, even when the sound is muted or completely turned off. This solution will work well, for example, during a child's nap. You can also mute the sound and leave only the lighting or switch off the lighting, leaving only the sound. You can also use both forms of signalling at the same time.

Battery receiver, powered by three AA batteries (batteries not included).

Battery transmitter, powered by a CR2032 battery (battery supplied).

The product is made of plastic.

TECHNICAL DATA

General information:

Wireless:	tak
Max. transmission range [m]:	300
Frequency [MHz]:	433.92
Possibility of extension by an additional transmitters:	tak
Other features:	Learning system

Receiver:

Type of current (receiver):	DC
Nominal voltage [V]:	4,5V DC
Battery - type and quantity (receiver):	3xAA
Built-in battery (receiver):	nie
Electricity consumption [W]:	0.15
Number of ringtones:	60

Loudness [dB]:	92
Volume adjustment [dB]:	tak
Volume adjustment range [dB]:	0-92
Optical indication:	tak
Mounting method:	Montaż natynkowy
Housing material (receiver):	Tworzywo sztuczne
Colour housing:	Czarny
Width (receiver) [mm]:	81
Height (receiver) [mm]:	81
Depth (receiver) [mm]:	34

Transmitter:

Type of current (transmitter):	DC
Nominal voltage (transmitter) [V]:	3V
Battery - type and quantity (transmitter):	1xCR2032
Built-in battery (transmitter):	tak
Transmitter max. power [mW]:	<10
Degree of protection (IP) (transmitter):	IP44
With lighting:	tak
With name plate:	nie
Housing material (transmitter):	Tworzywo sztuczne
Colour (transmitter):	Czarny
Width (transmitter) [mm]:	36
Height (transmitter) [mm]:	66
Depth (transmitter) [mm]:	18

Model: DB-60D/B
