General EU declaration of conformity

We, Hager SE, acting on behalf of our affiliates placing products on the EU market under any Hager brand, declare the fulfilment of CE-Relevant Directives & Regulations and the fulfilment of Non-CE Relevant Directives & Regulations as far as applicable.

1. Fulfilment of CE-Relevant Directives & Regulations

All products conform to the essential requirements and provisions of the following CE-relevant EU directives and regulations (where applicable):

- Low Voltage Directive (LVD) (2014/35/EU), as amended
- Electromagnetic Compatibility Directive (EMCD) (2014/30/EU), as amended
- Radio Equipment Directive (RED) (2014/53/EU), as amended
- Directive on the Restriction of the use of certain Hazardous Substances (RoHS) (2011/65/EU), as amended, including Delegated Directive(2015/863/EU)
- Measuring Instruments Directive (MID) (2014/32/EU), as amended
- Commission Regulation (EU) 2019/1782 laying down ecodesign requirements for external power supplies under Directive 2009/125/EC, as amended
- Commission Regulation (EU) 2023/826 laying down ecodesign requirements for off mode, standby mode, and networked standby energy consumption of electrical and electronic household and office equipment
- Regulation (EU) 2023/1542 concerning batteries and waste batteries
- Regulation (EU) 2025/40 on packaging and packaging waste

2. Fulfilment of Non-CE-Relevant Directives & Regulations

Compliance with the following EU Directives & Regulations, which are not linked to CE marking, is also confirmed (where applicable):

- General Product Safety Regulation (GPSR) Regulation (EU) 2023/988, as amended
- Waste Electrical and Electronic Equipment (WEEE) Directive 2012/19/EU, as amended
- Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) Regulation (EC) No 1907/2006, as amended
- Directive 2004/42/EC on the limitation of emissions of volatile organic compounds (VOC) due to the use of organic solvents in certain paints and varnishes and vehicle refinishing products, as amended
- Regulation (EU) 2023/1115 on the making available on the Union market and the export from the Union of certain commodities and products associated with deforestation and forest degradation, as amended
- Regulation (EU) 2019/1021 on persistent organic pollutants (POP), as amended

In addition, compliance with applicable regulations governing the use of PFAS is confirmed. It is further confirmed that asbestos materials and mercury (see also RoHS) are not used in Hager Group products.

Note: Individual Declaration of Conformity and individual REACH-declarations for each product are available via the national Download-Center / e-catalogue.

Place: Obernai
