

The image displays three models of LN5070 LED strips: 28W, 40W, and 50W. Each model is shown in a perspective view at the top and a top-down view below. The 28W model is labeled with 3080lm, the 40W with 4400lm, and the 50W with 5500lm. Each top-down view includes a barcode and the model number. Below the top-down views, two detailed diagrams show the internal wiring and terminal block connections for the strips. To the right, two mounting options are illustrated: a hanging set (závěsný set 2ks) with a vertical dimension of up to 100.0 mm, and a surface mounting set (přisazená montáž - set 2ks) showing two L-shaped brackets.
